

This is a book preview. It contains one chapter of a 11+ chapter work.

maps for getting lost VOLUME ONE

Photographs by John Ryan Brubaker

maps for getting lost NUMBER THREE

Rome, Italy 2012

The images in this book were made during a walk
of 8.28 kilometers on February 26th, 2012.

The route was determined by navigating the city of Rome
by following a map of the Brussels city center.

Colophon

This version of *Maps for Getting Lost* is an un-editioned, serialized collection of small books. Additional books are added as chapters as they are completed.

This project also exists as an ongoing series of physical, short-edition, hand-made photobooks.
