

This is a book preview. It contains one chapter of a 11+ chapter work.

maps for getting lost VOLUME ONE

Photographs by John Ryan Brubaker

maps for getting lost NUMBER SIX

Brussels, Belgium 2012

The images in this book were made during a walk of 3.84 kilometers on March 31st and April 1st, 2012. The route was determined by moving against the flow of traffic, both pedestrian and automobile.

Colophon

This version of *Maps for Getting Lost* is an un-editioned, serialized collection of small books. Additional books are added as chapters as they are completed.

This project also exists as an ongoing series of physical, short-edition, hand-made photobooks.
